

AISLABY LODGE COTTAGES

ALC are a small complex of 5 individual cottages, converted from traditional farm buildings located below Aislaby village just off the A171 from Whitby to Teesside. All information, maps, directions, facilities and photographs of the cottages can be viewed at [**www.whitbyholidaycottages.net**](http://www.whitbyholidaycottages.net)

Location:

Aislaby Lodge Cottages are situated on the south side of the village of Aislaby, down a private lane of approximately a quarter of a mile. Use a map or a GPS finder to the village; go to the Church take left hand road signed Egton road. Travel 500m take first left, through stone pillars marked Private Road, Home Farm.

Travel for a approximately quarter of mile, take the first left and then first right into the cottages. Stable and Byre Cottages are in this courtyard. By taking the second right in front of Barn, Granary is then on right, next Farm and further on marked is Home Cottage.

Arrival

Your cottage will be open with keys in door or in prominent place. Cars should be unloaded and then parked to give access to other users either in front or to one side. It should be obvious! Plenty of space!!

Stable and Byre cottage are ground floor only. Granary, Farm and Home have 2 storeys. Byre is the most suitable to accommodate a wheelchair

All cottages have a comfortable mixture of floorings and furnishings. Light fittings are in the usual places and the bathroom lights are a cord drop. Electric sockets are placed in the usual places for your convenience.

The bathrooms have tiled floors and overhead showers with baths and WC's, except Home Cottage which has a walk in shower. All cottages have immersion heaters for hot water. All cottages have fire alarms. Outside there are a number of security lights which are movement sensitive. All cottages have fire extinguishers and fire blankets. Fire procedures are detailed by exit points.

Stable Cottage

Access is up one step through a stable door into porch entrance. A second door to the left leads to the sitting room and kitchen. There is a door to the hallway to give access to the bathroom, double and twin bedrooms.

Byre Cottage

Access is the same as Stable, one step up into the porch, through a door leading to the sitting room with carpets and tiled kitchen. There is a door through to the corridor where the bathroom, twin, double and single bedrooms

lead off. The bathroom has toilet and bath aids. This cottage can be ramped at the front door for wheelchair access and accommodates a standard size wheelchair.

Across the courtyard is a laundry room with washing machine and dryer. It also has a public telephone.

Granary Cottage

Is accessed across a small patio, up a step through the front door into a hall entrance room, which is stone tiled. To the left through an arch and small corridor leads to a ground floor bathroom and double room. To the right leading off from the entrance Hall through a door is the sitting/living room and kitchen. From the hallway leads the stairs to a small landing with a single and twin bedroom, all with velux style windows.

Farm Cottage

Is to the left of Granary is accessed from a small patio, with two steps down to the front door. There is a step down into a small porch way with a toilet to the left hand side. A door leads from the porch to the sitting room with open fire. From this room, a door leads to the dining room with gas fire and further off this room there is the kitchen. The kitchen is tile floored and the dining is carpet.

From the sitting room, stairs lead to the upper floor landing. At the top on the first right is a double bedroom, next through a door leads to the bathroom. Further a long the landing with hand rail are two bedrooms one with 2 bunks and the other with twin beds. All floors are carpeted. The bathroom is Formica flooring with tile back splashes.

Home Cottage

Access is up two stone steps through a small rustic gate onto the patio. Through the front door is the entrance porch with another a door leading to the sitting room and dining room with wood burning stove. The ground floor is tiled throughout. Round to the right is the kitchen, with stairs leading to the second storey. At the top of the stairs to the right is the bathroom with walk in shower. At the top of the stairs to the left is a twin bed room with velux window. The second is a double room with velux window. There is a small landing with velux window. All floors upstairs are polished wood with some mats.
